

Winter Silhouettes Bonsai Show

Presented by

Milwaukee Bonsai Society

Sunday March 4, 2012

In addition to the joys of snow during the winter and early spring months, we in the Midwest have an opportunity to view our landscape in the 'raw', that is, without the dressing of buds, leaves and flowers

Only deciduous trees will be featured in this event. Maples, hornbeams, elms, hawthorns, apples, crabapples, pomegranate, crape myrtle, ginkgos, larches and swamp cypress are some of the species which would be suitable.

County Park Admission applies

Show Hours

9 am-4 pm

The Domes

at *Mitchell Park Horticultural Conservatory*
