BEGINNER FRIENDLY

Just getting started in bonsai, be sure to head to Milwaukee and join other enthusiasts, artists, and MABA members on June 23-26, 2022. Beginner friendly headlining artist Ted Matson from Southern California will help you get started.

Curator of the Huntington Bonsai Collection in greater Los Angeles, Ted Matson is well known for quality care and design of bonsai.

He is also recognized for his great service to the art of bonsai; someone who promoted the art of bonsai and encouraged cooperation and unity of effort to achieve excellence within the entire bonsai community. To impress the significance of this President's Gold Diamond Award, we should note only one other person has ever been bestowed this award and that was John Naka.

Ted Matson's service extends to our area clubs. MBS and others owe a great deal of our continued growth and success to him.

MABA Milwaukee 202Two is offering Japanese black pines that have been developed as shohin by Ted Matson. Another workshop on Experience with Nursery Material will provide guidance to develop bonsai using readily available nursery stock.

Milwaukee Bonsai Society through its Excellence in Bonsai program is honored to pick up all travel, hotel and meal expenses for this generous artist. Take advantage of this affordable opportunity, see a demonstration and take one of his four beginner friendly workshops.
